

FOOD VIDEO TASK

You will be making a video to introduce a bunch of food and drink items that you eat or drink (1) every day, (2) always, (3) usually, (4) often, and (5) sometimes, as well as an item that you (6) do NOT eat or drink. Find these items in your house and lay them out nicely on a table. Use this sheet to create a script. You will say these lines in your video. If you do not know the Japanese word for a particular food or drink item, try searching it up on jisho.org: <https://jisho.org/>

A. What do you eat or drink every day, always, usually, often, and sometimes? What do you NOT eat or drink? In the brackets () below, type the food or drink items that go with each adverb, and then complete the sentence with the correct verb, *たべます* or *のみます*. For the last sentence, you should use the verb with its negative ending, *たべません* or *のみません*.

e.g. わたしは まいにち ごはんを たべます。
...でも、ぎゅうにゅうは のみません。

2. いつも () を

3. たいてい () を

4. よく () を

5. ときどき () を
